

HyperSTE Content Quality Software

Key features

- Supports many style guides and standards, including:
 - Chicago Manual of Style
 - Microsoft Style Guide
 - Plain Language and others
 - ASD-STE100, S1000D
 - DITA
- Optimizes content by ensuring rules for terminology, safety and procedural instructions, spelling, grammar and style are met.
- Highlights mistakes and gives suggestions for correction.
- Creates extensive reports to measure compliance and performance.
- Available as a plug-in for Word, FrameMaker, Arbortext, Flare, oXygen, XMetaL and many other authoring tools.

Today, HyperSTE is successfully being used by many companies, and in the aerospace and defense sectors, in addition to Etteplan's own (500+) technical authors.

HyperSTE Content Checker

Compliance Rating: 24.63%

Document rating
